

Nov. 17, 2020

Dear St. Augustine Parents and Guardians,

STAR Catholic is currently implementing a new student information system, Powerschool. This system replaces Maplewood, which unfortunately we could no longer able to use due to compliance issues with Alberta Education.

The student information system holds all student and parent information, student and teacher schedules, marks, report cards, etc. This is a massive project to export this data and set it up in a new system in a short amount of time.

We have been working closely with Powerschool to move implementation forward, however the report card template for St. Augustine was not quite ready by the due date. Therefore, report cards will be delayed by a few days. Our apologies for the inconvenience. The school will endeavor to get the report cards out to you as soon as possible.

Sincerely,

Laurie Kardynal
Assistant Superintendent, Learning Services
St. Thomas Aquinas Catholic Schools
