Citizenship/Stewardship Tracking Sheet

St. Augustine School promotes the importance of a well-rounded educational program for all students which includes recognizing student volunteer hours and/or participation in faith based groups. Volunteer hours/participation points can be claimed by our students by submitting this form to the office. The form must be signed by the adult supervisor in charge and include contact information should we need to verify.

Volunteer hours can be claimed as either Citizenship Hours or Stewardship Hours as defined below:

- **Citizenship:** volunteering time and talents to others (other than relatives) without personally benefiting or being paid.
- **Stewardship:** volunteering time and talents to others in faith based activities.

Stewardship Points
