Hello grade 9 students, parents and guardians,

The first semester is quickly coming to a close, and the grade 9 classes will be writing their social studies provincial achievement tests on Friday, January 24. These tests will be written by students in their regular social studies classroom from **9:00-11:40 AM** as scheduled by Alberta Education.

On the day of the test, school routines for the grade 9 classes will be as follows:

- Students should arrive at school by 8:25 AM as usual. The grade 9 classes will gather in the foyer for attendance.
- At 8:45 AM, supervisors will take the students to their respective exam rooms and go through organizational items for the exam to begin at 9:00 AM.
- As per Alberta Education guidelines for the provincial achievement tests, students must stay in the exam room for at least one hour before they are allowed to leave.
- After completing their exam, grade 9 students will be excused for the rest of the school day. Arrangements should be made to collect students when they are done between 10:00-11:40 AM.

The second semester will begin on Monday, January 27. Timetables for grade 9s will change to reflect the second semester schedule at the school. Grade 9 students will begin their second semester elective courses, and they will also begin their science course.
